

Policy Replacement Product Groupings

As part of our continued efforts to support your sales journey and align with our liberalized guidelines, we are pleased to share the updated Policy Replacement Product Groupings for 2025.

As of 19 August 2025, the following groupings have taken effect:

- PRUSteady Income falls under Protection and Investment
- PRUWealth 10 is under Investment

We trust that these updates will help you better serve your clients and guide them toward achieving their financial goals with confidence.
