

## TERRITORIAL UNDERWRITING as of March 2026

Please see the latest consolidated list of countries and jurisdictions considered High-Risk and Sanctioned, as well as those tagged as Declined by the Underwriting Team.

Tagging is based on the following:

**Declined (Underwriting)** — Countries and jurisdictions on this list are declined during the underwriting stage.

**Sanctioned (AML)** — Countries and jurisdictions on this list are referred to and reviewed by the Anti-Money Laundering (AML) Team and Group Compliance.

**High-Risk (AML)** — Countries and jurisdictions on this list may be referred to the AML team for further review depending on the total risk profile of the policyowner/client.
