

Product Primer

*This product primer summarizes the key benefits and conditions of **PRULove Wealth**. It is a quick guide about the product created primarily for the use of Pru Life UK employees and distributors. While reasonable care was made in the preparation of this material, any omissions, deletions and/or statements inconsistent with the Policy Contract must be construed or rectified in favor of the Policy Contract. Should you wish to share this material with individuals who are not Pru Life UK employees or distributors, please seek prior written approval from the Product Management team.*

I. Product Description

PRULove Wealth is a peso-denominated, single-pay, short-term, non-participating endowment life insurance plan that can protect your wealth for your family. This product provides both living and death benefits. The living benefits are guaranteed annual payouts every policy anniversary and maturity benefit at the end of 7 years. The plan also has cash values, which may be loaned by the Policyowner. The product will be offered for a limited time only and is subject to availability of assets.

II. Product Position

PRULove Wealth is suitable for conservative ultra-high-net-worth, high-net-worth, and affluent individuals who seek:

- guaranteed income to ensure liquidity and complement their existing traditional bank deposit and other fixed income-generating financial products.
- wealth preservation without exposure to market risks.
- an insurance coverage through a traditional life insurance product
- a one-time pay life insurance plan that keeps the single premium paid intact and returned upon maturity.

III. Product Features

Features	Description
Product Type	Single-pay traditional with guaranteed annual payouts
Benefit Term	7 years
Life Insured Issue Age	7 days to 60 years old (age last birthday) Policyowner age must be at least 18 years old
Currency	Philippine Peso
Underwriting	Guaranteed Insurability Offer (GIO) subject to conditions determined by Pru Life UK ⁽¹⁾
Modes of Payment	Not applicable

⁽¹⁾GIO does not mean guaranteed approval of application. It may still be declined for reasons such as, but not limited to, the following: (1) Customer exceeded the PhP 100 million single premium GIO limit set by Pru Life UK, (2) Customer did not submit the complete requirements for Anti-Money Laundering Act (AMLA), Counter Terrorist Financing (CTF), and Economic Sanctions Regimes (Issuances), (3) Customer did not provide complete information in his GIO application form. If policy is not issued, 100% of the single premium paid will be returned.

IV. Benefits-related Information

Core Benefits

Death Benefit

If the Life Insured dies within 2 years from the Policy Effectivity Date or date of last reinstatement, the death benefit is:

Accidental Death	125% of the Single Premium
Non-Accidental Death	100% of the Single Premium

If death is after 2 years from the Policy Effectivity Date or date of last reinstatement, the death benefit is 125% of the Single Premium, regardless of the cause of death.

Death is considered accidental if the Life Insured sustains bodily injury effected directly and independently of all other causes by violent, accidental, external, and visible means and occurs within 180 days from the date of the accident.

Guaranteed Annual Payout

Annual guaranteed amount of 4% of the Single Premium is payable every policy anniversary from the first policy anniversary until maturity if the Life Insured is still alive. Payment of the guaranteed payout is annually and cannot be accumulated.

Maturity Benefit

100% of the Single Premium is payable if the Life Insured is alive at the end of the 7-year coverage period. Death benefit, maturity benefit or annual payout are reduced by any outstanding policy loans and interest.

Optional Benefits or Riders

No riders are available for this product.

V. Premium and Sum Assured-related Information

Premium Type	Single Premium
Allowable Sum Assured (SA)	Minimum: PhP 500,000.00 Maximum: PhP 100M Single-Pay limit per Life Insured
Mode of Payment	Not applicable
Modal Factors	Not applicable

VI. Other Features

Non-forfeiture Option

Not applicable.

Policy Surrender and Schedule of Net Cash Values

The policy may be surrendered before the Policy Maturity Date for its net surrender value which is the cash value less any outstanding policy loan and interest.

The Schedule of Net Cash Values forms part of the Policy Booklet and is provided to the customer upon issuance of the policy.

Policy Loan

A loan may be obtained not exceeding the maximum loanable amount which is 80% of the available cash value.

The amount of loan and interest is payable on or before the next policy anniversary. If the loan remains unpaid by then, both loan and interest become a new loan interest will be charged at the rate in effect on that date.

Any outstanding loans and interest are deducted from any payable benefits.

Reinstatement

If the Policy terminates due to overloan, the Policyowner may apply to reinstate it within three (3) years from lapsation date and prior the Policy Maturity Date. The Policyowner is required to pay the necessary amount to put his policy back to in force status, as determined by Pru Life UK.

VII. Important Provisions

Conditions when death benefit may not be payable

If within the contestability period i.e., within the first 2 years from Policy Effectivity Date or date of last reinstatement, any of the following occurred:

- Suicide (not due to insanity);
- Concealment or misrepresentation at the time of application; or
- Fraud was committed at the time of application.

Conditions when the policy terminates

The policy terminates at the earliest of the following dates:

- On the Policy Maturity Date; or
- In the event of the death of the Life Insured; or
- When the Policy is lapsed, surrendered, or otherwise terminated.

For other Policyowner options, please refer to the **PRULove Wealth** Policy Contract.
