I. PRODUCT DESCRIPTION:

The **PRULink Elite Protector Series** is a unit-linked product line designed with customer advantage in mind. This limited-pay product combines life insurance protection and greater potential for wealth accumulation through higher fund allocation and lower upfront charges, but it requires higher minimum entry premiums. It is available in both peso and dollar denominations payable in 5, 7, 10, and 15 years.

II. PRODUCT POSITION:

The **PRULink Elite Protector Series** would allow you to meet your medium- to long-term financial goals faster while receiving maximum protection. Aside from being financially protected against uncertainties, your financial goals, like your child's education, a new house, or your retirement fund become more manageable and attainable.

Glossary of terms

Basic annual premium – refers to the input amount in peso or dollar as desired premium of a client or the resulting premium of the chosen sum assured of the base plan sans any optional benefit/riders.

Benefit amount – refers to sum assured of critical illness, term insurance, and accident riders, or the daily lump sum amount due of hospitalization riders.

Coordination of benefit – is the aggregation of sum assured of all accident riders and/or critical illness benefits bought from Pru Life UK, and ensures that accident rider and/or critical illness rider benefits under the name of the insured do not exceed the respective limits of the mentioned riders.

Full withdrawal - is a withdrawal by a policyowner of the whole amount of his/her accumulated fund value within the policy benefit term, subject to applicable fees and charges. This will result in the termination of the policy.

Loyalty bonus – an additional ten percent (10%) for Peso and five percent (5%) for Dollar of the premium which the policyowner will pay on the 11th to 15th year is used to buy units if all premiums are paid during the first 10 years of the policy and the policyowner continues to pay the premiums thereafter as they fall due. Only applicable to **PRULink Elite Protector 15**.

Partial withdrawal – is a withdrawal by policyowner of a portion of his/her accumulated fund value within the policy benefit term, subject to applicable fees and charges.

Premium redirection – is a change in the proportion of the funds in which regular premiums are being invested.

Premium holiday – is the non-payment of premiums within the grace period of thirty-one (31) days from due date. In such a case, a Premium Holiday Charge shall be deducted from the client's account. The Premium Holiday Charge as shown in the Policy Data Page shows the percentage of the modal Regular Premium due that is deducted in a particular year.

Top up – is an additional payment on top of the regular premium.

For other policy owner options, please refer to the **PRULink Elite Protector Series** policy booklet.
