Glossary of terms

Full withdrawal - is a withdrawal by a policyowner of the whole amount of his/her accumulated fund value within the policy benefit term. This will result in the termination of the policy. Corresponding surrender charge will apply.

Guaranteed Issue Offer (GIO) – medical underwriting is not required to issue the policy.

Partial withdrawal – is a withdrawal by a policyowner of a portion of his/her accumulated fund value within the policy benefit term. Corresponding surrender charge will apply.

Fund switching – is when the Company sells the units in the old fund and buys units in the new fund. The unit price used in selling and buying units will be the unit price on the next pricing date following the Company's receipt of the application to switch.

Top up – is an additional payment on top of the regular premium.

For other policyowner options, please refer to **PRUM**illionaire policy booklet.
