

PRUWealth 10

Product Primer

*This product primer summarizes the key benefits and conditions of **PRUWealth 10**. It is a quick guide about the product created primarily for the use of Pru Life UK employees and distributors. While reasonable care was made in the preparation of this material, any omissions, deletions and/or statements inconsistent with the Policy Contract must be construed or rectified in favor of the Policy Contract. Should you wish to share this material with individuals who are not Pru Life UK employees or distributors, please seek prior written approval from the Product Management team.*

I. Product Description

PRUWealth 10 is a peso-denominated, single-pay, 10-year endowment life insurance plan. It offers 5% guaranteed annual payout for 10 years, life insurance coverage and a maturity benefit. This non-participating plan is available for a limited time and is subject to asset availability.

II. Product Position

PRUWealth 10 is suitable for conservative high-net-worth and affluent individuals who seek:

- guaranteed income to ensure liquidity and complement their existing traditional bank deposit and other fixed income-generating financial products
- wealth preservation without exposure to market risks
- an insurance coverage through a traditional life insurance product
- a one-time pay life insurance plan that keeps the single premium paid intact and returned upon maturity

III. Product Features

Features	Description
Product Type	Single-pay traditional with guaranteed annual payouts
Benefit Term	10 years
Life Insured Issue Age	7 days to 70 years old (age last birthday) Policyowner age must be at least 18 years old
Currency	Philippine Peso
Underwriting	Guaranteed Insurability Offer (GIO) subject to conditions determined by Pru Life UK ⁽¹⁾
Modes of Payment	Not applicable

⁽¹⁾GIO does not mean guaranteed approval of application. It may still be declined for reasons such as, but not limited to, the following: (1) Customer exceeded the PhP 500 million single premium GIO limit set by Pru Life UK, (2) Customer did not submit the complete requirements for Anti-Money Laundering Act (AMLA), Counter Terrorist Financing (CTF), and Economic Sanctions Regimes (Issuances), (3) Customer did not provide complete information in his GIO application form. If policy is not issued, 100% of the single premium paid will be returned.

If the Policyowner currently files a tax return in the United States of America, he is required to provide necessary FATCA (Foreign Account Tax Compliance Act) documents.

IV. Benefits-related Information

Core Benefits

Death Benefit

If the Life Insured dies within the coverage period, the death benefit is 110% of the Single Premium, regardless of the cause and date of death. This is subject to the 2-year contestability period and other applicable exclusions related to the death benefit.

Guaranteed Annual Payout

Guaranteed payout amount of 5% of the Single Premium is payable every policy anniversary from the first policy anniversary until maturity if the Life Insured is still alive. Payment of the guaranteed payout is annually and cannot be left to the policy to accumulate or gain interest.

Guaranteed Maturity Benefit

100% of the Single Premium is payable if the Life Insured is alive at the end of the 10-year coverage period.

Death benefit, maturity benefit or annual payout are reduced by any outstanding policy loans and interest.

Optional Benefits or Riders

No riders are available for this product.

V. Premium and Sum Assured-related Information

Premium Type	Single Premium
Allowable Minimum Single Premium (SP)	PhP 500,000 for insured ages 7 days to 59 years old PhP 3 million for insured ages age 60 to 70 years old <i>*PRUWealth 10 is subject to the aggregate product and GIO limits per life insured as set by the company.</i>
Mode of Payment	One-time lumpsum payment
Modal Factors	Not applicable
Method of Payment	• Mobile wallet/GCash • Dated Check • Bills Payment

VI. Other Features

Non-forfeiture Option

Not applicable.

Policy Surrender and Schedule of Net Cash Values

The policy may be surrendered before the Policy Maturity Date for its net surrender value which is the cash value less any outstanding policy loan and interest.

The Schedule of Net Cash Values forms part of the Policy Booklet and is provided to the customer upon issuance of the policy.

It shows the applicable cash value rates based on every one (1) thousand of the Single Premium and the values remaining after deducting the Guaranteed Annual Payouts.

Policy Loan

A loan may be obtained not exceeding the maximum loanable amount which is 80% of the available cash value.

The amount of loan and interest which will be communicated prior to the approval of the loan, is payable on or before the next policy anniversary. If the loan remains unpaid by then, both loan and interest become a new loan interest will be charged at the rate in effect on that date.

Any outstanding loans and interest are deducted from any payable benefits.

Reinstatement

If the Policy terminates due to overloan, the Policyowner may apply to reinstate it within three (3) years from the date the policy lapsed and prior the Policy Maturity Date. The Policyowner is required to pay the necessary amount to put his policy back to in force status, as determined by Pru Life UK.

Policy Replacement

Policy replacement is applicable. The Policyowner or Life Insured's policy or any of his policy under the Investment Product Group will be tagged as a replacement case when the following negative transactions occurred to any of the policies within one year before or after issuance of such policies:

- Changed its status to lapse
- Has been surrendered
- Has partial/full withdrawal (PRUM and PIA Plus)
- Changed in any manner to effect reduction in benefits (PIA Plus with riders)
- Has availed of policy loan (PRULove Wealth)

VII. Important Provisions

Free-look period

The Policyowner has 15 days to decide if this product is right for him. The first fifteen (15) days from the date the policy contract was received is referred to as the "free-look period". During this time, the Company encourages the Policyowner to read the policy and understand its benefits and risks. Should the Policyowner decide that this product is not for him, we will return the premium paid in full upon completion of the cancellation request.

Conditions when death benefit may not be payable

If within the contestability period i.e., within the first 2 years from Policy Effectivity Date or date of last reinstatement, any of the following occurred:

- suicide (not due to insanity);
- concealment or misrepresentation at the time of application; or
- fraud was committed at the time of application.

Conditions when the policy terminates

The policy terminates at the earliest of the following dates:

- on the Policy Maturity Date; or
- in the event of the death of the Life Insured; or
- upon approval of the Company of avilment of Policy Surrender; or
- when the Policy is lapsed, surrendered, or otherwise terminated.

For other Policyowner options, please refer to the **PRUWealth 10** Policy Contract.
