

PRULife Your Term Product Primer

*This product primer summarizes the key benefits and limits of **PRU**Life Your Term. It is a quick guide on the product created primarily for the use of Pru Life UK employees and distributors. While reasonable care was made in the preparation of this material, any omissions, deletions and/or statements inconsistent with the Policy Contract must be construed or rectified in favor of the Policy Contract. Should you wish to share this material with persons who are not Pru Life UK employees or distributors, please seek prior written approval from the Product Management team.*

I. PRODUCT DESCRIPTION:

The **PRU**Life Your Term is a one year renewable and convertible term product that provides death coverage within the term period. It is automatically renewed at the end of each policy year before the Life Insured reaches age 90. It is convertible to a permanent plan such as whole life, endowment or investment-linked on the 2nd policy year without submitting proof of good health. Health, accident and Variable Life (VL) riders may be attached for a more comprehensive insurance coverage.

II. PRODUCT POSITION:

PRULife Your Term is Pru Life UK's most affordable insurance that provides maximum income protection and a ready fund to pay off a portion or full amount of mortgage loans or estate taxes in case of untimely death. In addition, it is the only term product in the market where a Variable Life (VL) Rider may be attached. This rider transforms the term plan into a hybrid product that offers protection with living benefits.

III. PRODUCT FEATURES:

Product type	Traditional term product
Benefit term period	1-year (yearly renewable)
Issue age	0 – 79 years old

	Variable Life Rider
Benefit/s	Provides an opportunity for wealth accumulation in addition to the guaranteed life protection coverage
Issue age	0 to 70 years old
Death benefit	I. If VL rider has the same effective date as the base plan: Full Death benefit is equal to the higher of: 125% of all Variable Life Rider premiums less 125% of all withdrawals made on the Variable Life Rider premiums - value of units in the policy II. If VL rider payment has a different effectivity date: If death occurs within 2 years: - Accidental death = Full death benefit stated above (I) - Non-accidental death = Return of value of units plus upfront and insurance charges paid If death occurs after 2 years: - Accidental or non-accidental death = Full death benefit stated above (I)
Maturity benefit	Value of the units in the Variable Life Rider will be given on the policy expiry date
Sum assured	25% of each VL rider payment
Minimum total premium	PhP 5,000
Maximum total premium	Subject to full underwriting

	Variable Life Rider charges
Initial charge	3% deducted monthly on the first year from the date the VL rider premium is made
Policy fee	None
Insurance charge	Expressed as per thousand of the portion of the [125% of all VL Rider Premiums paid less 125% of all withdrawals made] above the fund value. This is used to cover the cost of providing the Policy's minimum death benefit in the event the Life Insured dies. The rate varies according to the age of the Life Insured at each billing date. This charge also includes the cost of insurance taxes due on this Policy.
Switching fee	1% of amount switched (charged after one [1] free switch per policy year)

Surrender charge (Withdrawal amount coming from the units of VL rider premium)	Applies to partial and full withdrawals. All withdrawals will be made on a first-in-first-out basis. Withdrawals are first drawn from units created from the first Variable Life rider premium. Once units are exhausted, succeeding partial withdrawals will then be drawn from units created from succeeding Variable Life Rider premium, on a first-in-first-out basis. Surrender charge applied will be based on the policy year counted from the date each Variable Life Rider is made.	
	Year 1	5%
	Year 2	4%
	Year 3	3%
	Year 4	2%
	Year 5	1%
Premium redirection charge	None	
Annual management fee	Peso funds	
	PRULink Bond Fund	1.53%
	PRULink Managed Fund	1.79%
	PRULink Proactive Fund	2.25%
	PRULink Growth Fund	2.25%
	PRULink Equity Fund	2.25%
	PRULink Global Market Navigator Fund	2.25%
	PRULink Money Market Fund (for switching only)	0.50%

VIII. OTHER FEATURES

Renewability	If at the end of the benefit term of the policy the Life Insured has not reached age 90, the policy may be renewed for another year, if: 1. The policy is renewed at the same sum assured as shown in the Policy Data Page less any accelerated benefits already paid; and 2. The attained age of the Life Insured at the end of each benefit term is not more than 89; Premiums on the renewed policy shall be based on the attained age at the date of renewal.
Convertibility	On the 2nd policy year, the policy may be converted to a whole life, endowment, or investment-linked policy, currently available at that time and deemed acceptable by the Company, without evidence of health, if: 1. The Life Insured has not attained the age of 70. 2. The new policy shall be issued for an amount not exceeding the sum assured under the policy less any accelerated benefits already paid. 3. The sum assured of the new policy shall at least be equal to the minimum sum assured allowed by the Company at that time. Premiums shall be according to the Company's prevailing rate on the date of conversion and shall be computed based on the attained age. The new policy's effectivity date shall be the date of conversion.

XI. IMPORTANT PROVISIONS

Conditions when death benefit may not be payable	▪ If within the contestability period i.e., within the first 2 years from policy effectivity date or date of last reinstatement, either of the following occurred: ○ Suicide (not due to insanity) ○ Death due to an illness caused by a pre-existing condition not declared at the time of application ○ There was concealment or misrepresentation at the time of application. ▪ Fraud was committed at the time of application.
Conditions when the policy terminates	▪ At the end of one (1) year unless the premium for the next renewal period has been paid; or ▪ In the event of death of the Life Insured; or ▪ Upon failure to pay premiums due within the Grace Period; or ▪ When an Accelerated Life Care Benefit claim or Accelerated Total and Permanent Disability Benefit claim or the sum of both claims, whichever is applicable, equal to Sum Assured of the base plan is paid; or ▪ On the Policy Anniversary immediately preceding the ninetieth (90) birthday of the Insured; or ▪ Upon written request for termination, whichever occurs first.

Glossary of terms

Benefit amount – refers to sum assured of critical illness, term insurance, and accident riders, or the daily lump sum amount due of hospitalization riders.

Full withdrawal – is a withdrawal by a policyowner of the whole amount of his/her accumulated fund value within the policy benefit term subject to the applicable fees and charges. This will result in the termination of the Variable Life rider only and will not affect the status of the base policy.

Partial withdrawal – is a withdrawal by a policyowner of a portion of his/her accumulated fund value within the policy benefit term subject to the applicable fees and charges. Applicable for Variable Life rider only.

Premium redirection – is a change by a policyowner of the proportions of the funds in which regular premiums are being invested. Applicable for the Variable Life rider only.

For other policy owner options, please refer to the **PRULife** Your Term policy booklet.
