

What is Automatic Debit Arrangement (ADA)?

ADA is a payment option for customers wherein their renewal premiums are automatically debited from their enrolled account on each premium due date, subject to the bank's approval.

This is available for new and existing policies.

Enrollment process:

✓ For BDO and HSBC:

Step 1: Enrol via PRUOne & upload the following:

- Copy of proof of bank account
- Know Your Customer (KYC) requirements (if applicable): KYC form with copy of TPP's valid government-issued ID

Step 2: Submit to any PRU Customer Center:

- Copy of proof of bank account
- Originally signed ADA Enrolment Form (2 copies)
- Privacy Notice and Consent form duly signed by the policyowner or eligible 3rd party payor (TPP)
- KYC requirements (if applicable)

✓ For BPI and Metrobank

Step 1: Enrol in e-ADA via bank's website or mobile app (no need to submit a paper ADA application)

Step 2: Submit to any PRU Customer Center. *This step is only applicable for 3rd party payors (TPP)*

- a screenshot of proof of e-ADA enrolment via the bank's website or mobile app
- KYC requirements
- Privacy Notice and Consent form duly signed by the eligible 3rd party payor (TPP)

The requirements must bear the Policyowner's or 3rd party payor's signature in wet ink. Scanned copies are not accepted by bank partners.

Accepted proof of bank account:

- Bank Statement
- Passbook
- Deposit Slip
- ATM Card with bank account number
- Bank Certificate
- Cheque book

Available banks for ADA:

Bank	Account Number	Allowed	Not Allowed
BPI	10-digits	- BPI Main - Direct Peso account numbers	- BPI Family Savings - BPI Save-up - BPI Dollar Account
BDO	12-digits If less than 12-digits, insert zeros in the beginning to complete 12-digits. (e.g., 000XXXXXXXXX)	- BDO Peso account holders - Cash card or Debit card with corresponding Check and Savings Account (CASA)	- BDO Cash Card or Debit Card with no corresponding Check and Savings Account (CASA) - BDO Dollar Account
HSBC	12-digits First 3 digits should be between "000" to "049"	HSBC main account numbers	- HSBC Savings Accounts - HSBC Dollar Account
Metrobank	13-digits For 10-digit account numbers: add the 3-digit branch code (2 nd , 3 rd and 4 th digits) (e.g., 234X234XXXXXX) Fourth digit of the 13-digit account number should only be "3" or "7"	Metrobank Peso account holders	- Prepaid cards and Paycard accounts - Metrobank Dollar Account

Enrolment Processing Time:

Bank	TAT
HSBC BDO	20 working days (from branch receipt up to release of communications)
(e-ADA) Metrobank BPI	2-3 working days

Guidelines:

- 1. When selecting ADA as the renewal payment method on **a monthly mode, the customer will be automatically required to pay three (3) months’ worth of premium:**
 - 1 month premium – will be applied as the initial payment.
 - 2 months premium – will be applied to the 2nd and 3rd month premium dues. This is to promote persistency and avoid possible lapsation while waiting for the bank’s approval of the enrollment. Once ADA enrollment is approved, the automatic deduction from the enrolled bank account will start on the 4th month’s due date.

Illustration:

- PRUOne computed monthly premium – PhP5,000.00
- Actual figure to appear as amount due – PhP15,000.00

Once paid, the receipt will show PhP15,000.00. No separate receipts for the 2nd and 3rd months will be issued, as they are covered by the initial receipt. The next receipt will be issued in the 4th month, showing the monthly premium amount paid.

If an application is rated and needs an extra payment, leading to a higher monthly premium, Pru Life UK will use the excess premiums from the two months in suspense to cover the shortfall for the application to be issued. This might leave the 2nd and 3rd months' premiums underfunded, so Pru Life UK will debit customer’s bank account for any shortfall.

- 2. Because the ADA enrolment will still be up for the bank’s approval, the first three months premium may be paid through any of the payment methods available on PRUOne (i.e., credit card, bills pay, e-wallet).
- 3. The required three (3) months' premium payment only applies for ADA monthly mode policies. For non-monthly mode, standard processing applies.
- 4. Enrolment requirements

Enrolment Details	Description
Account name	Complete name of the Policyowner (exact spelling) as indicated at the front part of the ATM card or passbook
Account number	The numbers, letters, or alphanumeric code assigned to every card or passbook of the customer
Policy number or application number	• Policy number for renewal policies • Application number for NB applications
Signature	• Client signature on the ADA form should match the signature indicated in the Signature Card (SigCard) or bank’s record. Any correction or erasures on the ADA form must be countersigned to avoid rejection.

Enrolment Details	Description
ADA enrolment using JOINT accounts: 1. AND accounts 2. AND/OR accounts	AND accounts: Names and signatures of all account owners must be on the ADA enrolment forms. AND/OR accounts: Name and signature of at least one account owner must be on the ADA enrolment forms. Policyowner: Must be the enrollee on the ADA enrollment forms. If not, submit TPP requirements, including a signed KYC Form and a copy of a government-issued ID.
Acceptable accounts	Current or savings accounts are eligible for ADA enrollment.

5. ADA Billing

- **1st billing attempt** - Policy will be automatically billed on the policy’s premium due date. If the premium due date falls on a weekend or holiday, it will be billed on the next working day.
- **Re-billing for failed premium payments** - If a policy is unsuccessfully billed on its premium due date, it will be re-billed for four (4) consecutive working days.
- For monthly mode policies, a second billing attempt for five (5) working days will occur the following month, covering two unpaid premium due dates.
- The schedule will depend on the reason for the decline billing.

Reason for failed premium payment	Rebilling Cycle
Insufficient Funds	Daily for four (4) working days from the due date (excluding weekends and holidays) <i>*Due date + 4 working days</i>
Other reasons (invalid/ dormant account, account not found, closed account, etc.)	No rebilling

6. Additional guidelines:

Request	Guidelines
Submission of ADA form	For BDO and HSBC, submit the original ADA form to branch via PRUOne (for new applications) and any PRU Customer Center. The form should bear the Policyowner’s signature in wet ink. Scanned copies are not accepted by bank partners. For BPI and Metrobank, no need to submit an ADA form.
Switch to ADA enrolment	For BDO and HSBC, the Policyowner must visit any PRU Customer Center and submit: - a new ADA enrolment form (2 copies) - KYC requirements (if applicable) - Privacy Notice and Consent form duly signed by the policyowner or eligible TPP For BPI and Metrobank, enrol in e-ADA via bank’s website or mobile app (no need to submit a paper ADA application). If customer is a 3rd party payor (TPP), submit the following: - a screenshot of proof of e-ADA enrolment via the bank’s website or mobile app - KYC requirements - Privacy Notice and Consent form duly signed by the eligible TPP The requirements submitted to PRU Customer Centers must bear the Policyowner’s or 3rd party payor’s signature in wet ink. Scanned copies are not accepted by bank partners.
Manual/special billing	If the policy is beyond the re-billing period, the Policyowner should email policy.admin@prulifeuk.com.ph a signed written request or consent to be billed manually. Avoid submitting manual billing requests during the re-billing period to prevent double debiting.
Hold/stop billing	The Policyowner should email policy.admin@prulifeuk.com.ph a signed written request at least five working days before the premium due date. The request should indicate the effective date and duration of holding the billing. Premiums during this period can be: - Paid through any other available premium facilities, or - Paid upon resumption of ADA billing. For this option, the Policyowner should email policy.admin@prulifeuk.com.ph a request to be billed again via ADA.

What is Post-Dated Cheque (PDC)?

PDC is a payment option for customers wherein the policyowner provides cheques written with a future date, indicating when it can be deposited.

With PDCs, policyholders can schedule their payments in advance and ensure that funds are available in their account by the time the premium is due.

This is available for new and existing policies in MONTHLY payment mode.

Requirements:

- ✓ **For new applications opting to be paid through PDCs**, the following must be submitted to any PRU Customer Center:
 1. 13 cheques **(from 1 bank account only)**
 - a. One (1) dated cheque for the initial premium
 - b. Twelve (12) for the 1st year renewal payments (PDCs)
 2. PDC Agreement Form
 3. PDC Certification Form
 4. Provisional receipt from the agent
 5. Notice and Consent form duly signed by the policyowner or eligible TPP-
 6. KYC requirements (if applicable)
- ✓ For policyowners opting to switch to PDC for their existing policies, they must submit the above requirements and PARF to any PRU Customer Center.

Guidelines:

- ✓ **Only MONTHLY payment mode is allowed.**
- ✓ Indicate on the back of the cheque: policy number, name of customer. For multiple policies, also indicate the premium amount intended for each policy.
- ✓ The date of the cheque should be in this format: MM/DD/YYYY
- ✓ The dates indicated for first-year premium payments must be based on the application date. Make sure that the submitted PDCs are dated following the same date as the application date.
- ✓ The dates indicated on the PDCs for renewal premium payments must be based on the due date of the policy. Make sure that the PDCs are dated on or before the policy's due date.

If an application is rated, resulting to a higher monthly premium, the customer can make the additional payment through any other payment channels.

Pru Life UK will return the 12 PDCs, and the customer will need to provide 12 new PDCs with the updated premium amount, along with the new PDC Certification (PDC Listing).

- ✓ For policyowners wishing to change their payment method from credit card, auto debit, etc., to monthly PDC, they should submit a duly signed PDC agreement form to any PRU Customer Center.

Guidelines for pull out or deferment of cheques:

Request	Guidelines
Pull out of cheques	✓ Step 1: Policyowner should visit any PRU Customer Center to: • Submit a signed written request • Pay a pull-out fee of P100 per cheque Step 2: Policyowner should email the proof of payment of pull-out fee to policy.admin@prulifeuk.com.ph ✓ Requests for pull-out should be made 3-5 working days before the maturity date.
Deferment of cheques	✓ Policyowner should email policy.admin@prulifeuk.com.ph or visit any PRU Customer Center to indicate the new date of deposit for the deferred cheque. ✓ Requests for deferment are limited to 2 times per cheque (or within 60 days).
