

Metrobank Online Electronic - Automatic Debit Arrangement (e-ADA)

What is Electronic – Automatic Debit Arrangement (e-ADA)?

The **Electronic Automatic Debit Arrangement** or **e-ADA** is a facility that allows our individual customers to electronically submit their Authorization to Debit Account enrollment/s in Metrobank Online.

Our electronic - ADA is a convenient way for our biller's payors to pay for their reoccurring bills / obligations. Once subscribed - their accounts will be debited once the biller client initiates the process.

The Biller's Payors can submit and monitor their enrollment online through MBO.

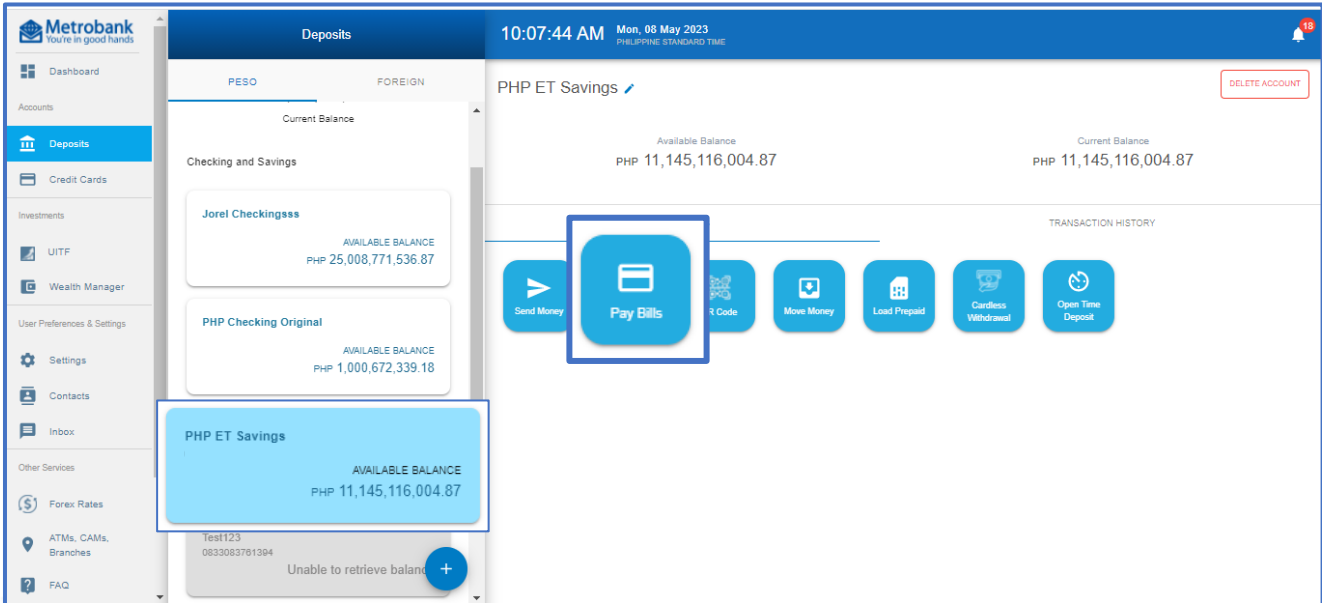

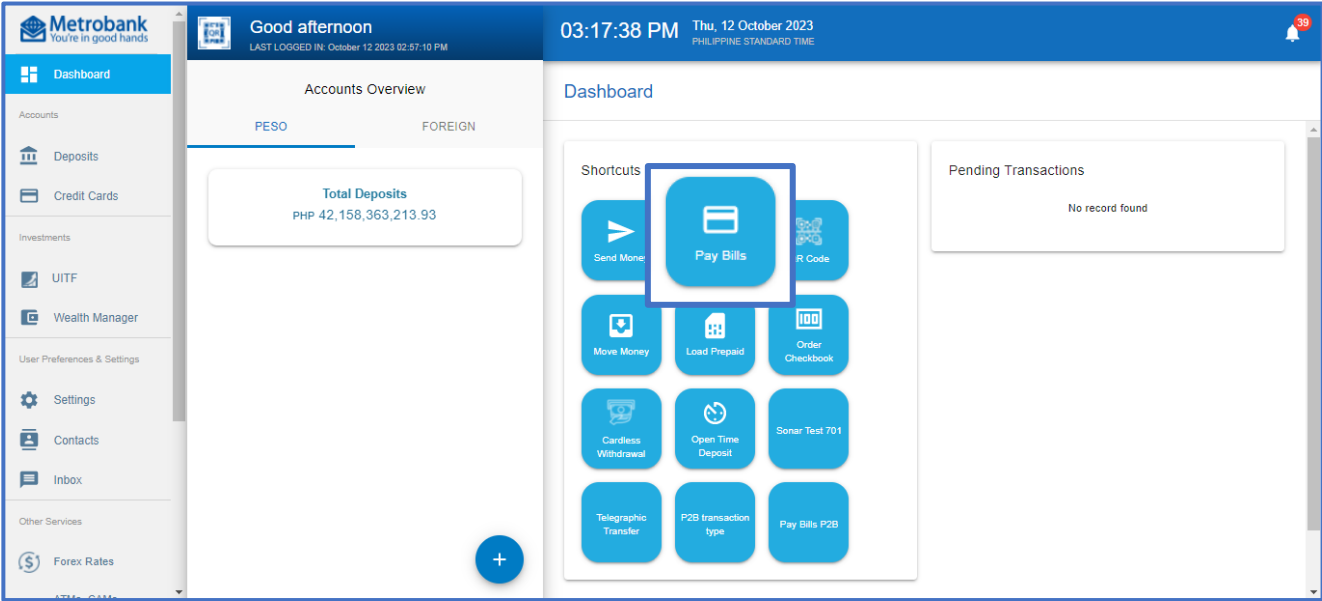

Display: MBO Dashboard

Step 1a: On Dashboard Shortcuts click **Pay Bills** Icon

OR

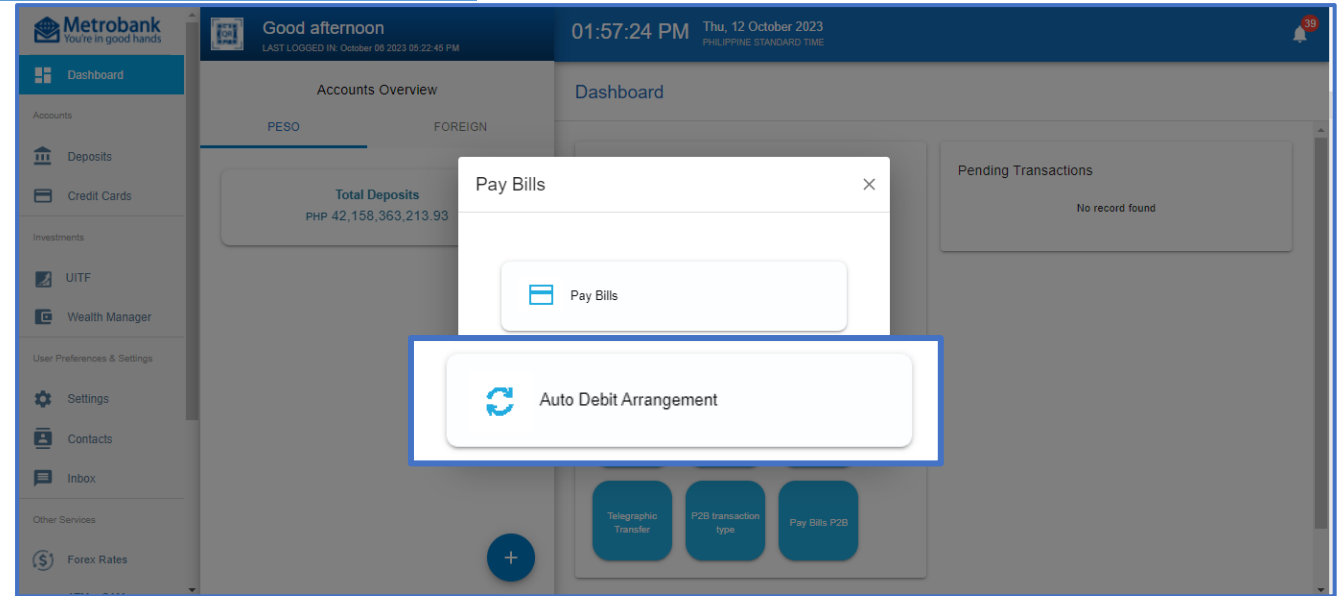

Display: Auto Debit Arrangement via Account Overview

Step 1b: On Shortcuts click **Pay Bills** Icon

Display: Auto Debit Arrangement Authorization to Debit Account (ATDA)

Step 3: Display of **Terms & Conditions** page then click "I AGREE"

A screenshot of the "AUTHORIZATION TO DEBIT ACCOUNT" form. The form contains a scrollable text area with the following text: "I/We, a client of the BILLING COMPANY, hereby agree and bind myself/ourselves to the following terms and conditions in relation to my/our current/savings account maintained with METROBANK: 1. I/we am/are authorizing METROBANK to debit the cleared and withdrawable funds of my/our account in payment of the bills due to the BILLING COMPANY. The amount to be debited and the frequency of debiting that will be provided by the BILLING COMPANY to METROBANK shall be binding against me/us. 2. I/we understand that debit of funds from my account for the payment of due bills shall be initiated by the BILLING COMPANY. 3. I/we shall notify METROBANK immediately of any and all changes in my/our billing reference number(s). 4. For purposes of this arrangement, I/we agree to". At the bottom of the form is a blue button labeled "I AGREE".

Display: Auto Debit Arrangement Enrollment

Step 4: Display of the details page. Input
Necessary information then click next

- Biller
- Using (Source Account)
- Alias
- Subscriber Number

The screenshot shows a mobile app interface for 'Auto Debit Arrangement'. At the top, there's a title bar with a close button (X) and a progress indicator with three steps: '1 Enter Details' (active), '2 Review and Confirm', and '3 Done'. Below the title bar, there are four input fields: 'Biller' with a dropdown menu showing 'Select the target account', 'Using' with a dropdown menu showing 'Select the source', 'Alias', and 'Subscriber Number'. Below these fields, there is a teal-colored text message: 'Any enrollment done before 11PM will be processed within the next banking day.' At the bottom, there is a large blue button labeled 'NEXT'.

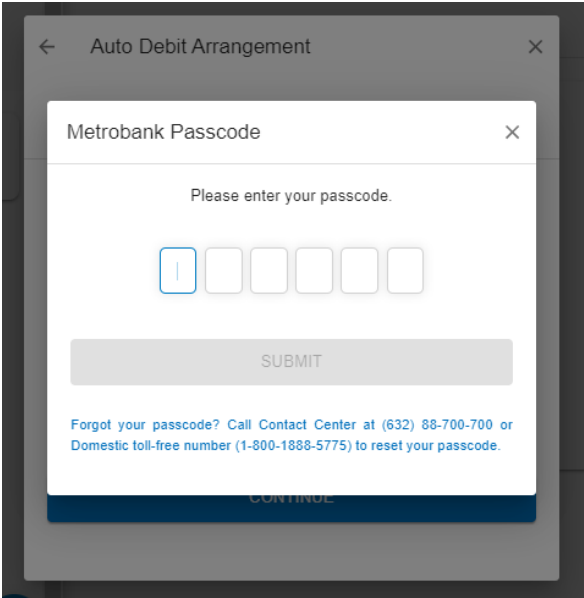

Display: Auto Debit Arrangement Review and Confirm

Step 5: Review and Confirm screen

The screenshot shows the 'Auto Debit Arrangement' review and confirm screen. The title bar has a back arrow, the title 'Auto Debit Arrangement', and a close button (X). The progress indicator shows three steps: '1 Enter Details' (completed with a checkmark), '2 Review and Confirm' (active), and '3 Done'. The main content area displays the details entered in the previous step: 'Biller', 'using PHP Checking', 'Alias House', and 'Subscriber Number 1234567'. At the bottom, there is a large blue button labeled 'CONTINUE'.

Display: Verification

Step 5: Input **Passcode** to authenticate transaction.
